## **Department of Education and Early Development Professional Teaching Practices Commission RDU/Component Budget Summary**

RDU/Component: Professional Teaching Practices Commission

**Contribution to Department's Mission**

The Professional Teaching Practices Commission (PTPC) helps prepare, attract, and retain effective education professionals by serving as a preventative and positive force in working to enhance the professional performance of all educators and ensure that members of the teaching profession in Alaska are qualified and ethical educators.

**Results**

(Additional performance information is available on the web at <https://omb.alaska.gov/results>.)

**Core Services**

- Promote adherence to the Code of Ethics by certified educators.
- Investigate properly filed complaints against certified educators.

**Measures by Core Service**

(Additional performance information is available on the web at <https://omb.alaska.gov/results>.)

**1. Promote adherence to the Code of Ethics by certified educators.**

**2. Investigate properly filed complaints against certified educators.**

**Major Component Accomplishments in 2021**

- Completed 29 investigations of complaints against educators;
- Disciplined 15 educators through warning, reprimand, surrender, suspension, revocation, or recommendation for denial of licensure;
- Reviewed and investigated, if necessary, 125 applications for certification containing background checks indicating criminal activities with 70 convictions. Of those, 55 divulged and 12 were contacted to explain lack of disclosure;
- Published and distributed an annual report to interested parties;
- Conducted five presentations on professionalism, educator ethics, and the role of the Commission to pre-service teacher candidates at the University of Alaska Southeast (UAS), as well as to the University of Alaska administrative interns, UAS superintendent endorsement program, the Alaska Staff Development Network principals' program, and various staff groups in different school districts; and
- Network with the Association of Alaska School Boards and other agencies to encourage implementation of school board policy 5141.42 Professional Boundaries of Staff with Students. The Professional Boundaries Working Group discusses policy and develops professional development to implement and train educators on Professional Boundaries and inappropriate boundary invasions.

**Key Component Challenges**

- Managing internal capacity constraints so they do not limit the ability of the Commission to investigate all complaints in a timely manner or pursue lengthy investigations or hearings; and
- Finding innovative ways to increase public knowledge and awareness of professional and ethical standards for teachers and administrators and to create an awareness of the Commission's role and responsibility in disciplining certified educators.
