Transfer the Alaskan Education Grant Program to a new component to improve budget transparency. The Alaska Education Grant program was formerly budgeted within the Program Administration & Operations' component. The former budget structure inflated the Program Administration & Operations' budget and perpetuated the misunderstanding that this authority is part of ACPE operations. This structure change sets these grants in a stand-alone component and Results Delivery Unit (RDU) titled State Financial Aid Programs which clearly identifies them as state educational financial aid to be used for higher education and postsecondary programs in Alaska and provide for more transparency and oversight for these pass-through grants. The Alaska Performance Scholarship component is also located under the State Financial Aid Programs RDU.
