

State of Alaska FY2023 Governor's Operating Budget

Department of Health Tribal Assistance Programs Component Budget Summary

Component: Tribal Assistance Programs

Contribution to Department's Mission

The department provides funding to Native organizations operating tribal Temporary Assistance for Needy Families (TANF) programs known as Native Family Assistance programs. This funding supports programs that strengthen Alaska Native families across the state.

Core Services

- Provide funding for benefit payments, supportive services, and diversion payments to recipients of a federally approved tribal TANF program. The amount provided is a prorated share of state funds that would otherwise be spent to serve eligible Native families through the Alaska Temporary Assistance program.

Major Component Accomplishments in 2021

- Provided resources, funding, technical support, policy guidance, training and system support to the following seven native organizations operating Native Family Assistance programs (NFAP):
 - Maniilaq Association
 - Association of Village Council Presidents (AVCP)
 - Tanana Chiefs Conference (TCC)
 - Cook Inlet Tribal Council Inc. (CITCI)
 - Bristol Bay Native Association (BBNA)
 - Central Council of Tlingit and Haida Indian Tribes of Alaska (CCTHITA)
 - Kodiak Area Native Association (KANA)
- Improved accuracy and timeliness of monthly benefit and quarterly expenditure reports provided by the seven native organizations. This has allowed the division to improve federal reporting.
- Improved efficiency and guidance in technical support process has resulted in less down time for Native organization staff.

Key Component Challenges

- Maintaining effective service coordination for native families receiving benefits from Native Family Assistance programs and other types of public assistance such as Medicaid or Supplemental Nutrition Assistance Program benefits.
- Increased use of Division of Public Assistance's Eligibility Information System.

Significant Changes in Results to be Delivered in FY2023

- Increase service coordination for native families receiving benefits from Native Family Assistance Programs and technical assistance to support Tribal TANF programs.
- Complete written technical guidance for native organizations to further improve understanding regarding allowed expenditures and reporting accuracy.
- Complete review of NFAP applications to ensure families they serve do not have a more cumbersome process than those served by the division.

7003	Sub-Recipient Pass-Through Grants	The federal welfare reform law authorized Alaska's twelve regional non-profit Native organizations and the Metlakatla Indian Community to administer Tribal Temporary Assistance for Needy Families programs within their regions. Those Native organizations that have taken advantage of this opportunity to design their own culturally relevant and regionally focused welfare programs, apart from the State are supported via grants. Funding for the Tribal Temporary Assistance for Needy Families program operations comes from federal block grant funding and is supplemented by general funds within this component that would otherwise be spent to serve the same Native welfare recipients if the programs were to be administered by the division instead of our Tribal partners.	13,844.0	17,042.0	17,042.0
