

FY2023 Governor's Capital Budget Amendment Errata Sheet

Department	AP/AL	Ref Number	Title	Action	Comments
FY2023 Capital Governor Amended					
Commerce	AP	64199	Kodiak Fire Station	New	The existing Kodiak Fire Station was damaged in the 2018 Southcentral earthquake and is located within a tsunami hazard zone.
Commerce	AP	64169	Nenana Fire Hall	Replaces Existing	Description Update: Construction of a new fire hall in Nenana. The old fire hall is dilapidated, poorly insulated, and located at a congested intersection that interferes with emergency vehicle traffic.
Commerce	AP	64165	Kenai River Bluff Stabilization	Replaces Existing	Description Update: Provide match assistance to the City of Kenai for a federal grant to support the Kenai Bluff Stabilization Project.
Commerce	AP	62613	Seward Freight Dock Expansion and Corridor Improvements	Replaces Existing	Description Update: Match for \$19.8 million from federal Port Infrastructure Development Program to construct the Seward Alaska Freight Dock and Corridor Improvements Project.
Commerce	AP	64174	Alaska Mariculture Alliance – Economic Recovery Mariculture Incentive Grant Program	Replaces Existing	Description Update: This appropriation provides a \$25 million grant to the Alaska Mariculture Alliance (AMA) for the purpose of establishing and operating a grant program for the mariculture industry.
Environmental Conservation	AP	64190	Alaska Enhanced Air Quality Monitoring	New	The Department of Environmental Conservation will implement a three-year air monitoring project that expands the department’s existing “AQmesh” air quality sensor network to 15 additional communities across Alaska. The AQmesh network is intended to provide baseline air quality data for areas not covered by the State’s regulatory monitoring network.
Health	AP	33670	MH: Deferred Maintenance and Accessibility Improvements	Replaces Existing	Replaces existing FY2023 capital project; amended so that the agency responsible is transferred from Family and Children Services to Department of Health to align with agency's strategic mission.
Natural Resources	AP	63823	Cook Inlet Petroleum Potential	New	This request will help fund an effort to increase the amount of publicly available data on the petroleum potential of these basins.
Natural Resources	AP	64173	Food Security Agriculture Incentive Grant Program	Replaces Existing	Scope Change: This funding would allow the Division to supplement Agriculture Revolving Loan Fund (ARLF) programs, provide matching grant funds, and financial incentives which will support agriculture farmers.
University	AP	64202	Emerging Energy Opportunities for Alaska	New	UAF proposes a \$2.5M investment through the Alaska Center for Energy and Power (ACEP) to address important gaps in our understanding of emerging energy technologies and applications for Alaska.
FY2022 Capital Supplemental Governor Amended					
Commerce	AP	64158	Alaska Sealife Center Facilities Project	New	Facilities replacement for the Alaska Sealife Center (ASLC) for a facilities project.
Commerce	AP	64160	Chugach Region Archaeological Repository	New	Facilities replacement for the Chugach Region Archaeological Repository and Museum.
Commerce	AP	64159	Alutiiq Museum & Archaeological Repository	New	Purchase and renovation of the Alutiiq Museum and Archaeological Repository (AMAR).
Commerce	AP	62711	Prince William Sound Science Center & Technology Institute Facilities Replacement	New	Facilities replacement for the Prince William Sound Science Center & Technology Institute (PWSSC).
Corrections	AP	63889	Hiland Mountain Intake Administration Project	Replaces Existing	This request amends the original Governor's FY2022 capital budget request reducing by \$1,300,000.00 for a new requested total of \$3,200,000.00. This change reflects the cost for the DOC to manage the project in-house.
Corrections	AP	63890	Yukon Kuskokwim Correctional Center Recreational Area Renovations	Replaces Existing	This request amends the original Governor's FY2023 capital budget request reducing by \$820,000.00 for a new requested total of \$2,350,000.00. This change reflects the cost for the DOC to manage the project in-house.
