**Project Description/Justification:**

Numerous federal and private foundations incorporate a matching cash contribution requirement in their competitive grant programs. The grant match program has been vital to attracting outside funding into Alaska to meet the housing needs of these vulnerable populations.

This program allows AHFC to apply for and receive federal, State and other grants that target the housing needs and supportive services of people with disabilities, victims of human trafficking, low-income households, rural professionals and homeless Alaskans. AHFC competitively awards federal funds received, as well as match funds, to local non-profit or municipal sub-grantee agencies who deliver housing and related supportive services. Examples of programs with match components

include HUD Supportive Housing, Housing Opportunities for Persons with AIDS, the USDA Housing Preservation Grant program, and the HUD Section 811 program.

AHFC may use the authority available under this program to apply to private institutions or foundations to study and/or address such issues as housing delivery systems, safe and viable neighborhoods, homelessness and aging in place.

**Projected Outcomes**

Receipt of funding from the following grant programs:

- HUD Supportive Housing;
- Housing Opportunities for Persons With AIDS (HOPWA);
- Grant Match Program;
- The National Housing Trust Fund; and
- Section 811 Housing Program for Persons with Disabilities.
