Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:
Annual funding to meet Airport needs for unanticipated, airfield and landside projects and needs that arise during the year. Used to make improvements and correct minor deficiencies and solve problems created by unforeseen circumstances at the airport. Typical projects result from weather damage, new security requirements, Federal Aviation Administration requirements, changed operating requirements by the airlines, minor changes to airport operating procedures, and general airport deficiencies not previously identified. This project contributes to the department's mission by improving the mobility of people and goods through service and infrastructure.
