Project Description/Justification:

This project provides grants for a highly popular and successful program for non-profit organizations, businesses, agencies, and local governments to groom snowmobile trails, development, maintenance of trails and trail-related facilities, and provide for snowmobile safety and education programs statewide.

Funds for this program are derived from snowmobile registration receipts paid by Alaskans annually. The Department of Administration, Division of Motor Vehicles collects receipts from snow machine registrations (\$200,000 to \$250,000 annually) and transfers these funds to the Division of Parks and Outdoor Recreation (DPOR). While there is no statutory mandate requiring these funds be used for this purpose, it is an excellent example of user pay/user benefit.

What was accomplished?

In FY2018, DPOR awarded funds to the following 16 organizations for snowmobile trail grooming grants:
