**Project Description/Justification:**

Federal regulation requires that each state transportation department develop a Statewide Transportation Improvement Program (STIP) for all areas of the state outside of Metropolitan Planning Organizations (MPO). For metropolitan areas, the MPOs develop their own Transportation Improvement Programs (TIP), which are approved by the Governor or his/her delegate and are incorporated by reference into the STIP. Alaska has two MPOs: Anchorage Metropolitan Area Transportation Solutions (AMATS), and Fairbanks Area Surface Transportation (FAST). Each TIP and all amendments are incorporated by reference into the STIP.

The FAST Planning is the MPO for the urbanized areas of the Fairbanks North Star Borough, including the cities of North Pole and Fairbanks.

The AMATS is the MPO for the Anchorage Bowl and Chugiak-Eagle River areas.
