Anderson - Hydro Vacuum Truck

State Funding Requested: \$445,000
One-Time Need

House District: Mat-Su Areawide (25-30)

Brief Project Description:

Vac truck to keep sewer system from flooding onto the streets when ground water overtakes the system every year.

Funding Plan:

Total Project Cost:	\$450,000
Funding Already Secured:	(\$5,000)
FY2025 State Funding Request:	(\$445,000)
Project Deficit:	\$0
<i>Funding Details:</i>	
<i>None</i>	

Detailed Project Description and Justification:

Because of ground water flooding our sewer system and without a truck to pump this out so sewers do not fill and overflow freezing residents sewer lines and overflowing into the street. We have had extreme expense hiring outside agencies to do this pumping of infiltrating ground water. This is a safety and environmental concern and need is documented.
