Brief Summary and Statement of Need:

School Construction and Major Maintenance Grant Funds provide funding for the Department of Education and Early Development's (DEED) school construction and major maintenance grant programs. Under Alaska Statute 14.11.011, annually DEED accepts applications for school construction and major maintenance grants and then scores and prioritizes the applications. Following DEED's Capital Improvement Project rating process, two prioritized lists are produced providing priority ranking of school projects. This project is an allocation for the first two projects on the November 5, 2023 FY2025 Capital Improvement Projects, Major Maintenance Grant Fund list – Craig Elementary/Middle School and Allakaket K-12 School.
