

State of Alaska FY2026 Governor's Operating Budget

Department of Labor and Workforce Development Disability Determination Component Budget Summary

Component: Disability Determination**Contribution to Department's Mission**

Provide efficient adjudication of claims for disability benefits under Title II and Title XVI of the Social Security Act.

Core Services

- Provide medical determinations for persons alleging disability under Title II (Social Security) and Title XVI (Supplemental Security Income) of the Social Security Act.

Major Component Accomplishments in 2024

- Processed 3,562 cases year to date, which exceeded the Continuing Disability Review goal by 1.5 percent, and the Reconsideration goal by 13.2 percent, and aided the Seattle Region in besting all regional goals and outperforming the national averages of the Social Security Administration (SSA).
- The SSA's Associate Commissioner for the Office of Disability Determinations honored Alaska's Disability Determination Services (DDS) with the Award for the highest four-year quality average in the nation, 97.15 percent, in front of 52 peers at the national DDS Administrator's Conference. Alaska DDS was chosen to participate in a national workgroup that compiled and published a 37-page best practices report.
- Alaska DDS boasted a 21.3 percent Consultative Exam (CE) rate compared to the national average of 35.5 percent. This was accomplished by scouring for and utilizing extant medical records sufficient to render a disability determination, thereby avoiding costly medical exams and delays in processing time. Due to Alaska's low CE rate, SSA's Deputy Commissioner of Operations hand-picked Alaska to lead two breakout sessions in the joint annual SSA/National Council of Disability Directors (NCDDD) discussing best practices for maintaining low CE rates.
- Received a SSA Regional Commissioner Award for individual performance for an adjudicator. Additionally, the DDS management team (six people) received a SSA Regional Commissioner Award, and the Chief of Services received a Commissioner of Social Security Award for stellar individual performance.

Key Component Challenges

DDS currently has nine adjudicators out of the 15 authorized positions, resulting in a shortfall of six adjudicators. This staffing gap is a result of persistent recruitment and retention challenges over the past seven years, particularly within the adjudicative job series. The division, consequently, lacks intermediary-level adjudicators, which has led to an over-reliance on senior adjudicators and managerial staff to fill the gap. This situation has contributed to longer case processing times and an increased workload on the experienced staff.

Significant Changes in Results to be Delivered in FY2026

The DDS Component expects an ongoing reclassification study to finalize in FY2025 and proceed to implementation once finalized in order to improve recruitment and retention in FY2026.
