

State of Alaska
FY2026 Governor's Operating Budget

Department of Public Safety
Statewide Support
Results Delivery Unit Budget Summary

Statewide Support Results Delivery Unit

Contribution to Department's Mission

Provide the Department of Public Safety with executive management and administrative support; provide Alaska's criminal justice system with specialized law enforcement support such as training, information systems, person identification, and forensic science services.

Core Services

- The Commissioner's Office provides staff support including legislative liaison, regulations, labor relations, policy deliberation, coordination of responses to administration, legislative, and public information requests.
- The Public Safety Training Academy in Sitka, in cooperation with the University of Alaska Southeast, provides basic and specialized police training and specialized training for Village Public Safety Officers.
- Administrative Services provides centralized budget, finance, procurement, personnel, grants, and facilities maintenance staff support to all department programs and coordinates with state agencies that provide centralized services.
- Laboratory Services provides forensic services support to the department and other law enforcement agencies throughout the state including the scientific examination and detailed analysis of evidence in criminal cases and assistance with crime scene investigations.
- Statewide Information Technology Services provides the core information system used by all law enforcement agencies in the criminal justice system and authorized non-criminal justice agencies that require access to criminal history record information to protect children or protected classes of adults and maintains criminal history records for Alaska.
- Alaska Public Safety Communications Services provides day-to-day emergency radio services for Alaska's first responders.
