Brief Summary and Statement of Need:

The Alaska Highway Safety Office coordinates highway safety programming through federally funded grants directed toward public outreach and education; enforcement; promotion of new safety technology; integration of public health strategies; collaboration with non-profit and private sector safety organizations; and cooperation with State, tribal, and local governments. Per AS 19.10.075(b), this allocation includes \$59,000 representing an amount equal to 50 percent of the fines collected under AS 28.90.030 during the fiscal year ending June 30, 2024, that was previously budgeted in the operating budget to be used for highway safety programs and grants.

Project Description/Justification:

Highway safety program funds from the National Highway Traffic Safety Administration (NHTSA) are used to support the State's Highway Safety Plan, which contains performance goals and measures based on National Priority Program Areas. These grant programs address a wide range of highway safety problems related to human factors and roadway environments and as a result, contribute to the reduction of crashes, injuries, and deaths.

The new Bipartisan Infrastructure Law includes an increase in the amount of funding available to states under the NHTSA's highway safety grants. With increased funding there will also be increased carry forward funds into future years.

Funding Type	FFY26
Bipartisan Infrastructure Law (BIL)	5,600,000
Supplemental BIL	300,000
Carry Forward Funds	3,500,000
164 Transfer Funds	1,752,000
TOTAL	11,152,000

General funds supporting this project come from an amount equal to 50 percent of the fines collected under AS 28.90.030 for offenses committed within highway work zones and traffic safety corridors during the fiscal year ending June 30, 2024. The proceeds of these funds may be used for highway safety planning and for highway safety programs including, but not limited to, safe driving education, enforcement of impaired driving, enforcement of speeding and enforcement of seatbelt laws along the safety corridors by the Alaska Highway Safety Office.
